

Barbara Elliott Trust Fund for Innovative Ministries 2007 Report to DUCC

The Barb Elliott Trust Fund is a fund that is available for diaconal projects that are innovative and difficult to fund. This fund is still relatively new and needs ongoing donations to build its capital in order to provide a substantial amount of available interest.

No applications were received for 2007. In February 2006 we had two applications and we were able to grant funds to both. A Community Kitchen developed by George Street United Church in St John, Newfoundland was granted \$3000. Racecourse Community School in Kitwe, Zambia was granted \$1000 to help children attend a government school for their senior matriculation. This is a school that Betty Marlin worked with while she was in Zambia.

The deadline for applications is February 15 and grants are decided by a committee of three, namely Nancy Post of Thunder Bay, Christine Dudley of Nelson BC, and Russell Mitchell-Walker of Regina. For information on the application process and funding criteria please contact any member. Applications can be sent to Russell by mail or e-mail.

The fund needs your support. If you wish to support, please send donations to The United Church of Canada, 3250 Bloor Street West, Toronto ON, M8X 2Y4 and mark it clearly for the Barb Elliott Trust Fund (both on the envelope and on the cheque.)
